CBITSEC

Cybersecurity Awareness Video Project

Project Overview and Objectives

This project requires student groups to create an educational video addressing a critical area of digital safety.

Objectives

Expected Lasallian Graduate Attribute	Objective
Culturally Sensitive Critical and Creative Thinker	Analyze how digital threats exploit cultural contexts and creatively design original video content to meet societal safety needs.
Effective Communicator	Communicate cybersecurity concepts confidently across media platforms using inclusive and linguistically sensitive language.
Reflective Lifelong Learner and Competent Self-Nurture	Manage group performance to adapt to digitized environments, risk-assess information technology, and humanize digital t

Course Chat

Engaged and Service-Driven Citizen	Practice Lasallian to create a shared good.
Virtue-Guided Decision-Maker	Guide peers toward accountability, and and <i>pakikipagkapw</i>
Technically Proficient Professional	Demonstrate tech applying the Lasal (<i>Kilos</i>) with empath

Project Scope and Topic Selection

- This project is to be accomplished by group of three mem
- Not all group members are required to appear on-screen i have an equal, documented contribution to the project. M must fulfill essential production responsibilities, such as v technical direction.

Send

Topic Assignment

Groups are to pick one topic from the following list provided:

- Phishing, Smishing, and AI Scams
- Password Security and Multi-Factor Authentication (MFA)
- Device Security in Remote Work Set-up
- Social Media and Data Privacy
- Deepfakes and Impersonation

Technical Specifications

- Video resolution must be at least 720p
- File format must be .mp4
- Duration is 10-15 minutes
- Audio narration and subtitles must be included

Delivery and Submission Requirements

Submissions must be submitted via Canvas by the designated deadline and must include the following:

- Video file

- A direct video file upload to Canvas or,
- A valid external URL (e.g., unlisted YouTube link or shared cloud storage link).
- Group contribution log - A document (.pdf) that explicitly details the specific project workloads and roles handled by each of the three members using the template below:

Group Member	Contributions*
<Last Name, First Name>	Drafted the preliminary script and dialogue for the main presentation.
<Last Name, First Name>	Designed and animated the custom on-screen graphical overlays
<Last Name, First Name>	Directed the camera setup during all physical recording sessions

**These are samples only. Replace with your own list of contributions.*

CBITSEC Cybersecurity Awareness Video				
Criteria	Ratings			
Originality/Creativity	Excellent	Good	Requires Improvement	Poor
	Video is original, creative and unique.	Video has some original thought and is moderately creative.	Video has little original thinking.	Video has no original thinking.
	5 pts	4 pts	3 pts	

Criteria	Ratings			
Significance to the Topic	Excellent Security awareness is clearly tied in with topic in an obvious manner; a strong connection is shown between cybersecurity best practices and topic theme 5 pts	Good Security awareness is tied in with topic; a fairly clear connection is made between cybersecurity best practices and topic theme 4 pts	Requires Improvement Security awareness is mentioned but the connection between cybersecurity best practices to the topic theme is not supported 3 pts	Poor Security awareness is not tied in with topic; no connection between cybersecurity best practices and topic theme is made
Stated the Importance of the Topic	Excellent The video expertly makes the case for the topic's importance using precise arguments. 5 pts	Good The video explains the topic's importance, but the arguments are not complete 4 pts	Requires Improvement The video states that the topic is important but provides little explanation. 3 pts	Poor The video does not explain why the chosen topic is important.
Overall Quality	Excellent Video is well planned with smooth transitions and edits. Sound is expertly balanced and easy to hear. All sound and visual elements coincide with the video's message. 5 pts	Good Video is well planned with competent edits. Sound is well balanced and easy to hear. Most sound and visual elements blend with video's message. 4 pts	Requires Improvement Video was somewhat planned. Transitions and edits are rudimentary. Sound is reasonably balanced. Some sound and visual elements are distracting. 3 pts	Poor Video is not well planned and has poor edits. Some of poor quality. Many sound and visual elements distract from the video's message.

Criteria	Ratings			
Group Compliance	Excellent	Good	Requires Improvement	Poor
	Meets the 10–15 min rule; log proves equal team contribution.	Minor duration error (8–9 or 16 mins); log outlines clear roles.	Significant duration error; log reveals unequal work distribution.	Disregards time rules; log is mis or reveals zero collaboration.
	5 pts	4 pts	3 pts
